

# 06

- Fruits tree pruning
- Landscaping
- Gardening

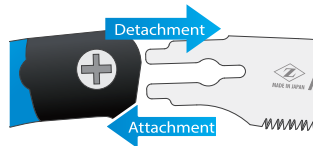

## PRUNING SAW series

Crafted for professional arborists, fruit growers and gardeners.

### Blade replacement

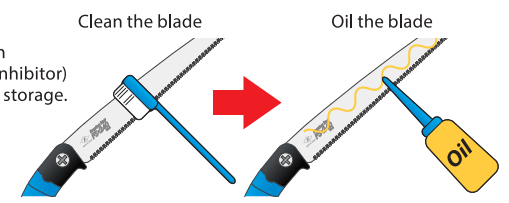

**Detachment**  
Loosen the screw with a coin or a screwdriver and pull the blade out from the handle.

**Attachment**  
Insert the blade and tighten the screw to fix the blade firmly.

### Blade care

Please wrap the blade in VCI (Volatile Corrosion Inhibitor) paper or newspaper for storage.
